

Hey Church!

I am excited to begin a new series in Worship this week! As we enter the month of November we tend to look toward Thanksgiving. For many it is a time of family gatherings, thankfulness, and let's be honest – an offensive amount of food! But what if we took that attitude of thankfulness that we often share around the Thanksgiving table and extended it into the rest of our lives? That's what we will be focusing on this month: **Gratitude Attitudes.**

God's people have always been called to be a little different, and that is perhaps no more evident than in the way we are called to view and distribute our resources. As people who have been richly blessed, we will look at how the Bible directs in the realm of our resources and finances. It's challenging, but when done right, it is one more thing that can point people to Jesus!
