# Hey Church!

It's been a week, and I can honestly say Amanda and I are still overwhelmed at the outpouring of support at our Farewell Reception last Sunday. Lake Shore has always treated myself and my family with such love and kindness, and Sunday was no exception. Thank for you the kind words, the gifts, and all of the ways you went out of your way to make us feel special. As we move on to a new season of ministry, to say we will miss this church is a tremendous understatement.

**BUT GOOD THINGS ARE HAPPENING!** We are joyful to share that in today's services people will make their public profession of faith through baptism, and 6 folks will be joining our church in membership. What a great thing to celebrate.

The weather this week should remind us that "spring" is right around the corner. Check out this newsletter – we are already getting dates together for Camps, Easter Eggstravaganza, VBS, and campouts. Warm weather always brings a renewed sense of energy and purpose, and it's exciting to think about what is in store in the coming months.

Our spring curriculum kicks off today. If you are not in a Bible Fellowship class, you're missing out! The available classes for adults are listed on the left – be a part of one! Classes are a great way to enrich your faith, dig deeper, and grow in community. You won't regret it.

And another class opportunity, don't forget about the Wednesday study that begins on March 16 at 6:30pm. "I Am Church Member" will take a look at how YOUR attitude and YOUR approach affect YOUR commitment to YOUR church. Sensing the pattern? This is a great time to dive deeper into how you can be a driving force in your church and in your community.

We love you all SO much. Let's continue God's work together, across the miles.

-Pastor Jon
